9th July, 2024

To Interested Suppliers, Companies, Entities, and Service Providers

RE: PREQUALIFICATION OF SUPPLIERS

The National Quality Control Laboratory (NQCL) is a semi-autonomous government agency established under the Pharmacy and Poisons Act (CAP 244, Laws of Kenya). It is mandated to conduct quality control testing of health products and technologies on behalf of the government.

We are currently evaluating institutions that can supply commodities, reagents, equipment, and services to NQCL with a view to creating a list of prequalified suppliers and service providers.

This letter invites all interested registered companies and entities to apply for prequalification. Applicants should submit the following documents: KRA PIN, Certificate of Incorporation, CR 12, and Valid Tax Compliance Certificate.

We particularly encourage applications from entities owned by Women, Youth, and Persons with Disabilities.

The deadline for submitting applications is August 1, 2024. Please deliver documents to the Tender Box at the National Quality Control Laboratory, School of Pharmacy, KNH Ground, Nairobi.

Successful applicants will be notified by September 30, 2024.

Yours Sincerely,

Dr. Serah Muteru
Ag. Director
